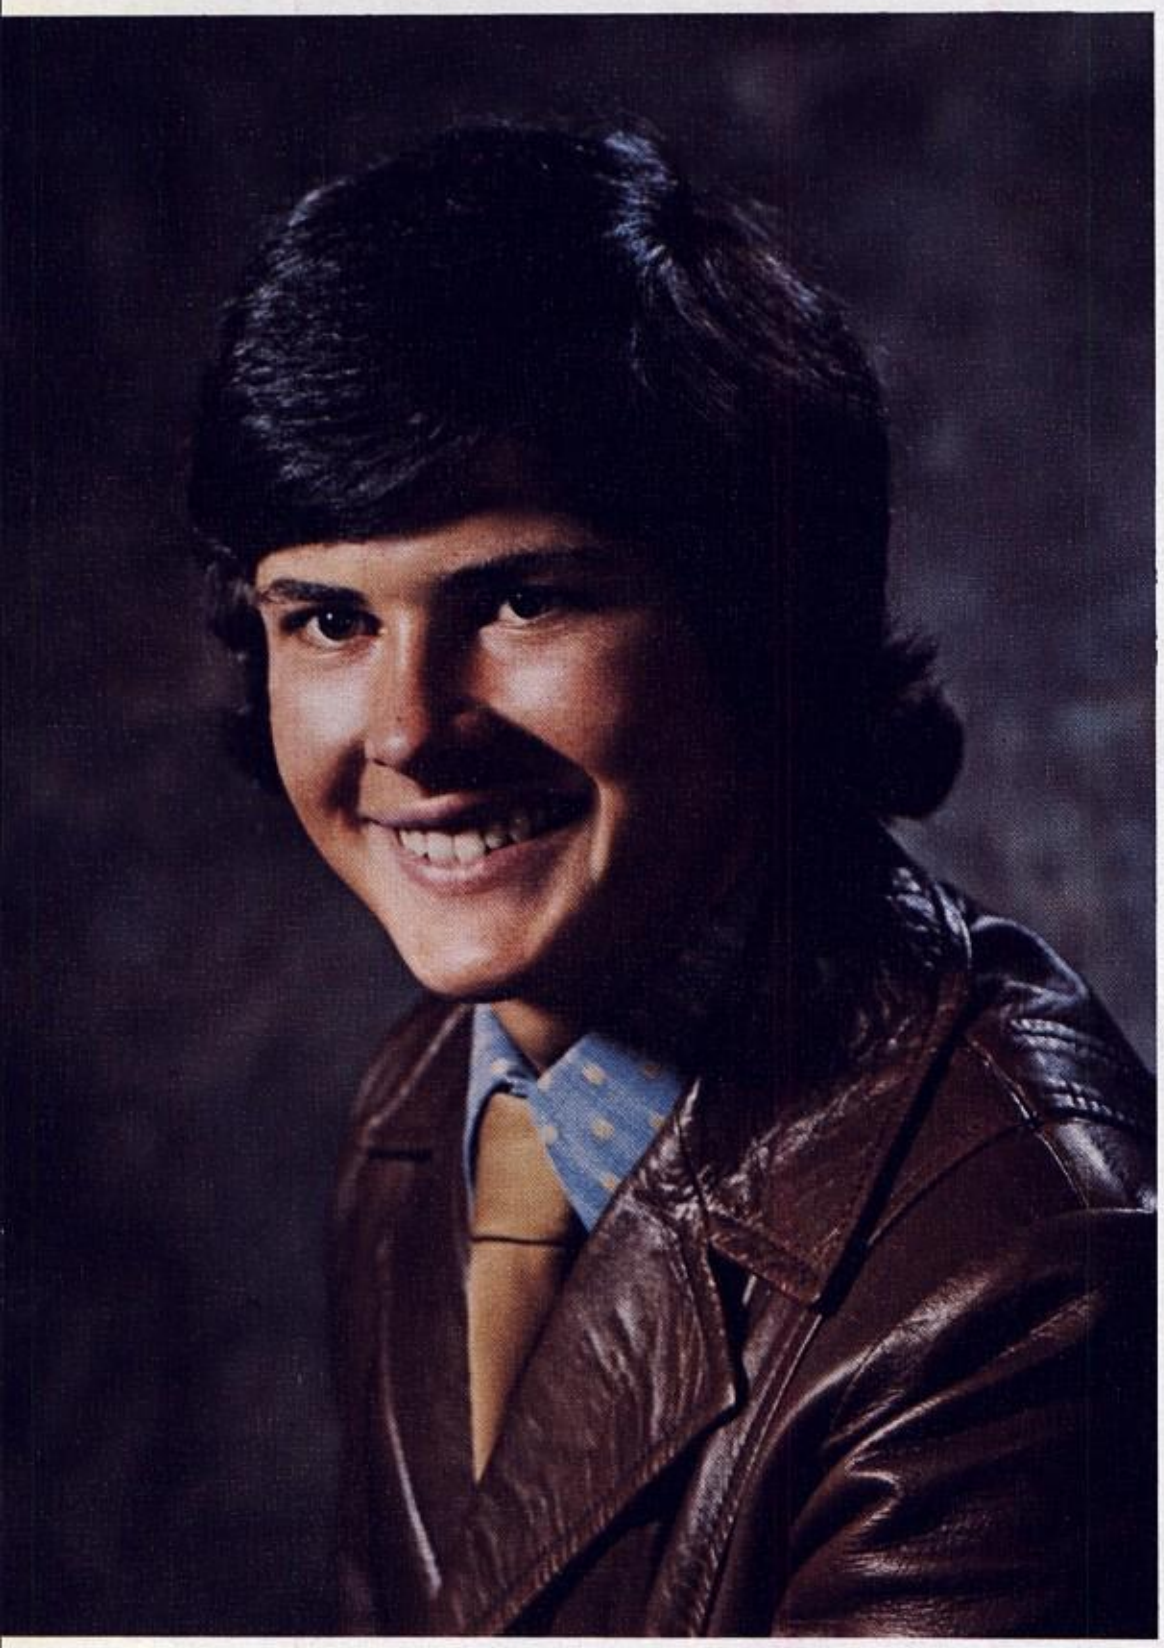
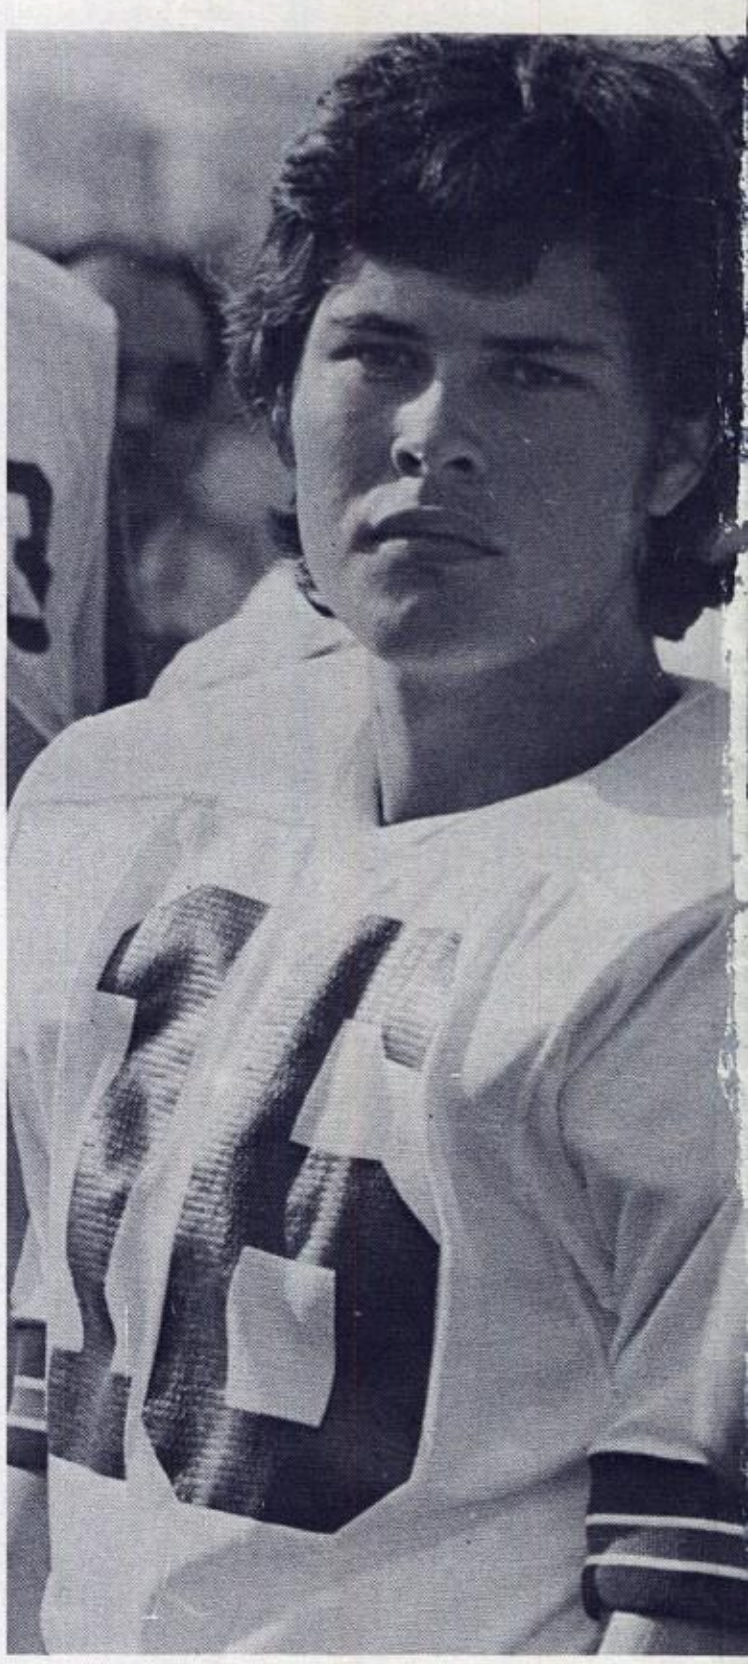
Huskies Welcome Greg





Jenni,

This has been a great year and I'd like to make only one request of you before its over..... GET THIS NAIL POLISH OFF MY TOES.

Love
Greg

Greg Willis of Sydney, Australia, was South Hills' outgoing foreign exchange student. He has participated in many activities this year, including joining the Husky football team as a PAT kicker. Coming from an all boy school Greg was surprised upon his arrival at South Hills. But he soon got into the swing of things by rocking out at rallies, participating in Spirit Week, but most important of all - becoming a Husky!

to South Hills High

Fellow Huskies,

This year at South Hills has been to me like a dream. I have made so many friends and undergone so many experiences that I will always remember it as one of the best times of my life; and now it is difficult to say farewell for your way of life has become so much a part of mine.

To all of you I would like to say thank-you for helping to make this year so special to me and for being my friends. Especially I would like to thank my American family, the Bethke's, for everything they have done for me. Even when I return to Australia I will think of you often for my mind is full of such warm memories and I would like you to understand how much you have all meant to me. Whether it was a football game, classes, lunch in the quad or one of the other activities we took for grantèd at the time, I am glad that I can now say I participated.

Once again thank-you and I hope that the rest of your lives are as enjoyable as this last year has been for me.

With all my best wishes and gratitude,

Gregory D. Willis

Companions,

The ASB Council of 1972-1973 met on Tuesday and Thursday mornings at 7:30 as it has for the past seven years. It, like the councils before it, approved rallies and club projects, sponsored Homecoming and Spirit Week and in general oversaw all student activities. It did an excellent job at these traditional tasks thanks to the hard work of a few people, especially Margie Bzovy. But this year's council also sought change by expanding the student's role in curriculum, obtaining a more open campus and providing school time recreation to create a more relaxed school atmosphere. I will remember this year as one of positive change.

Being ASB President has taught me alot. About students, teachers, administrators, leadership, authority, persuasion, power and impotence, change, predjudice. But mostly about myself.

Thank you Mr. Maruca. Thank you Stanley, John and Eddie. Thank you everyone else.

So it goes,

Daniel J. Bressler

Daniel J. Bressler

Jenni,
My legs are forever grateful to you & your bright ideas & otherwise appreciate your calm, serene prettyness & red hair. Love, and other good things,

Always admire how sweet and hard working you are
We're glad the "pleasure" is over
Really enjoy next year and make the most of it.
Sunshine always,
Marsha

To Students, Faculty, and Administration,

This year seems to have gone by so fast that there was just not enough time in the day to accomplish every goal. But I'm grateful to have worked as your Vice President and to have been behind the scenes in the ASB Council's achievements.

It was a good year and with goals like lunch passes, increased senior privileges and the tardy system, we were challenged to stay organized and composed! Out of the four years I've been on this campus I hope I've encouraged many constructive ideas and helped out in jobs well done. At this time of goodbyes, my one wish is that you might always strive to know the Truth. I'll miss you all, God Bless.

Respectfully,

Marsha Lundy

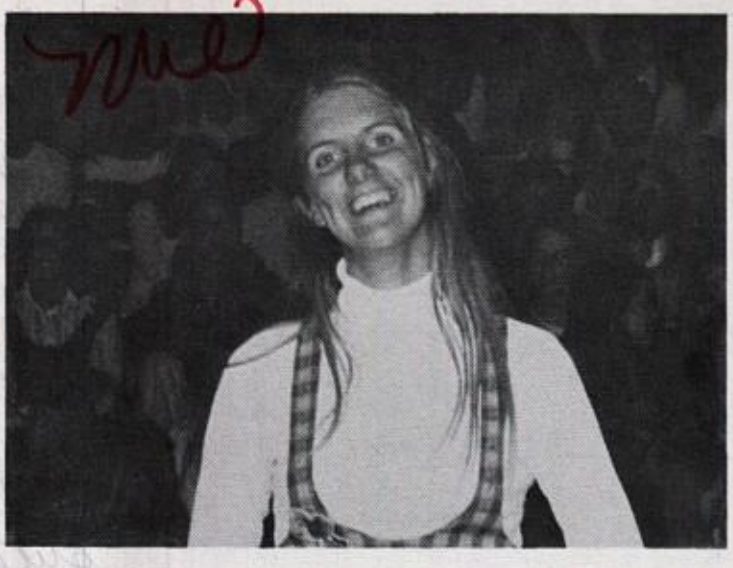
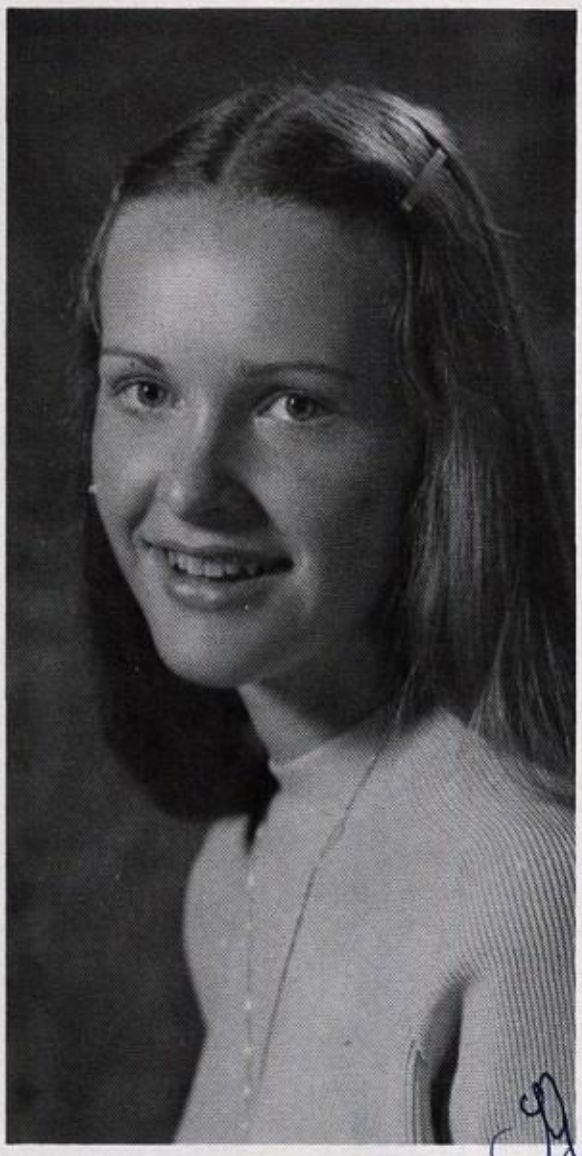
Neomega Editors





When you receive your yearbook at the end of the year and start looking through it, you see the finished product. For three years now we have been putting these books together. There is a great deal of work put into these yearbooks-making rough layouts, getting the pictures you want taken, writing and typing the copy, transferring the rough draft onto a triplicate, checking our work and sending it in. There are five deadlines to be met during the year which causes a two week chaos period for the whole staff each time.

We started the year off with four returning staff members out of twenty-four, the fewest in quite a few years. The first few months were spent teaching our new staff the old techniques; they are still learning them! They tried very hard and together, we managed to produce this year's book.

There are many people we would like to thank among those are the following: Mr. Gibson, our representative from Pischell Yearbook Co., who was always there to tell us what we were doing wrong; Mr. Kundrath, who spent four weeks in a hospital bed because we pushed so hard; Mrs. Kundrath, for listening to all our problems and searching for the pictures we needed; and Art, for taking and developing all of the thousands of pictures we wanted. But on the top of our list is Mrs. Evans. She has been a teacher, advisor, staff member, sympathizer and a good friend. We thank you the most Mrs. Evans, for making our three years so meaningful and enjoyable.

Thank you,

Lynn Jackson Maribeth Witzlsteiner

Students now need at least three A's and one B to join C.S.F. The members enjoy many privileges in turn for their good grades. Meetings are held during class time, and least once per year C.S.F. members get a chance to take a field trip. Last year we visited U.C. Ski Club

This year the Ski Club has gained many more interested members. The club has enjoyed an early season. Members don't have to know how to ski although the majority of them do. The purpose of this club is to promote the arts of the community, starting at this school; to uncover the musicians, artists, dancers, etc. on our campus; to involve our students in the fascinating and beautiful arts of life. Some of our activities were field trips, such as the trip to see "Henry IV"; a real folk, dance, and the pleasure - faire with the help from A.S.B.

Girls Athletic Association

The G.A.A. is an organization where good sportsmanship, friendship with fellow students, and having a good time are its main factors. During the year the club participates in various sports which they compete in against five other schools. Among these schools are Covina, Basset, Northview, West Covina, and Baldwin Park. We are proud to represent South Hills, and we do our best at the playdays to make our school No. 1.

The purpose of Ionians as a service club is to give South Hills girls an opportunity to promote spirit, fund-raising and community activities. We hope each girl wants to improve their character by helping others in this way. This year we had our very successful annual Christmas Ball. It was a great evening with the crowning of the Christmas Ball Queen and even good old Santa Claus was there. (Mr. Negrini!) During the rest of the year, we hope to go out into the community and give programs in the old folks homes, besides continuing our spirit at South Hills.

Tyranns

Despite numbering less than twenty, Tyranns have done more this year than the preceeding two. All of our tournaments were successful and we plan to continue with them next year. All year we were continuously involved in the school's activities. Hard work is the main ingredient to all good clubs. Tyranns showed this year they can work hard. Special thanks to Mr. Rapp.

Elisians

The Elisians is composed of girls from all four classes who join together for service to our school and community while building responsibility and many friendships. Our major activity is the annual Valentines Dance; throughout the year we hold fund raising events for it, such as our Homecoming carnation sale.

This year our club has been involved with community projects like the Danny Thomas Teen March and The United Crusade. We plan to continue our service in community activities and to work along with the inter-club council and their school events.

A surprising number of unpredicted victories highlighted this year's VARSITY FOOTBALL season. The team received both praise and recognition from all who saw the hard-hitting players in action.

Our school spirit reached its height that awe-inspiring night of the victory over rival Northview. The successful season was capped by the tie with league champ Los Altos along with our third consecutive win over Covina.

This year's thrills were provided by such stars as Don Curtis, South Hills' most valuable player and all Sierra league linebacker; All San Gabriel Valley Tackle Duncan McColl; halfback Mike Young; and defensive back Mark Ault.

Competing in the toughest league in the Valley, the offensive unit finished eighth of the thirty teams. For the 1972 Huskie Squad it was a successful year - a year of team effort and outstanding individuals, and with only eight returning lettermen from the previous year. The Huskies' 5-3-1 record far surpassed all expectations.

The J.V. FOOTBALL TEAM, coached by Steve Arkle, experienced a very successful season this year by capturing first place in the tough Sierra League. The offense proved to be too aggressive for the other teams. MVP Mark Gallard's running highlighted the action. The defense turned out to be the strongest in the league.

Due to the shortage of players, the Sophomore Football Team was unable to follow behind the shadow of their Varsity, J.V., and Frosh counterparts. They managed to lead the team to a 5-4 record and to capture third in their league behind West Covina and Los Altos.

Special mention should be given to Doug Smith and Mike Brink for receiving most valuable and most improved player respectively.

South Hills' Frosh team enjoyed a very successful season as they ended up on top of the Sierra League with a 7-1 record. The championship was decided on the final day of the season as the Huskies defeated Edgewood 16-0.

John VanVuren, Brian Evans, and Jeff Yriarte led the offense as they accounted for most of the seasons touchdowns. Don Christy, Bill Sheehan and Kevin Gruber led the defensive team to five straight shutouts near the end of the season.

Cross Country Varsity

The 1972 Varsity Cross-Country Team ended another successful season by recording an 8-1 dual-meet record. The Harriers barely missed the league championship by losing a close meet to Los Altos; but, they came back strong in clenching the league meet championship. Other highlights were second place in the San Gabriel Valley Invitational and a sixth place finish in the tough CIF AAA division finals. The varsity squad, made up of about nine individuals, was led by senior (captain) Dave Joseph and junior Dave Reynolds who finished second and third respectively in league. Co-captain Mark Wallace, and juniors Craig Douglas, Scott Poidevin and John Locke were the competitive key runners for the team and helped this year's Varsity Team to a fifteenth place finish out of the 320 teams in CIF.

Varsity Basketball

Front row: (l to r). Mark Dearth, John Cochrane, Jeff Cox, Danny Bressler, and Duane Boman. Back row: (l to r). Bill Rogers, Fred Johnson, Doug Winans, Duncan McColl, Steve Haire and Ray Garwacki.

By compiling an over-all record of 22 wins and 5 losses the '72-'73 varsity basketball squad enjoyed one of the most successful seasons in South Hills' history.

This year's team was led by guard Jeff Cox, forwards Bill Rogers and Fred Johnson, and by centers Duncan McColl and Ray Garwacki. They were backed up by the "Super Six" of Doug Winans, Steve Haire, Mark Dearth, Duane Boman, Danny Bressler, and John Cochrane.

The Huskies finished with a 13-1 league record. They lost their first league game and then went on for 13 straight wins to gain a CIF playoff spot against Rubidoux in which they won 72-53. They lost their second playoff game 56-47 to finish off a very successful season.

The 1973 Sierra league championship team was to be Coach Moore's last team at South Hills as he resigned from coaching after the final game.

In the nine years that Coach Shirley Moore coached the varsity, South Hills enjoyed many successful years. Everyone appreciates the fine work Coach Moore has done in establishing South Hills as a power.

The 1972-73 Junior Varsity Basketball team enjoyed a fairly successful season as they ended up in third place in the Sierra League. The offense was dominated by the superb shooting ability of Larry Marsh, Bob Gregg, and Dave Reynolds. Defensively they were led by Jack White, Mark Hynes, and Rex Fehr. This year's team should reflect the playing of next year's Varsity as the team was primarily formed by juniors.

Varsity Wrestling

The South Hills Wrestling team had a very successful season this year. This was partly due to the large number of returning lettermen from last year, who are Curtis, Limahelu, Brown, Lewis, Stewart, Furlow, and Schall. These matmen made for a strong and consistent team this year.

The huskie wrestlers did the usual amount of weight watching and afterschool practicing, which was coached by Mr. Nemzek. Through Coach Nemzek's efforts and the spirit and hard work of the team, and outstanding performance was given all season.

Seniors Ron Koch, Greg Forslund, Mark Smith, and Jim Greffley added greatly to the team effort. Mulville off to a good start.

This year's swim team, led by first year Coach Al Butcher, had a good season in the always tough Sierra League.

Leading the team this year were captains Dan Hynes, backstroke specialist, John Mulville, in the butterfly, and Ron Cowen doing the individual medley.

Next year's swim team should be quite experienced with many returning lettermen such as Jay Davison, Tom Spuhler, Jack VanRossum, Jim Davison, and Bob Wilson, all hoping for a very fine season.

Coach Rapp

Coming off a winning season, the South Hills Varsity Track Team again performed well. Due to the rain, the thinclads were hampered in their training, yet many individuals proved their worth. Although the Huskies lacked depth, the distance runners again dominated the league.

Mark "Mr. Consistent" Hynes led the way in the sprints. Dave Joseph, Dave Reynolds and Mark Wallace earned the top distance marks. While such greats as Ray Garwacki, Duncan McColl and John Cochrane performed commendably on the field events.

J.V.

Due to the change from the exponent system, South Hills had a JV team for the first time. This prompted many junior and senior athletes to come out for track and helped account for the largest track team ever at South Shills.

The JV team showed good strength over all. The distance team was especially strong as many runners from the CIF cross country team forced their way to the top in competition.

Frosh-Soph

1973 saw South Hills field its first frosh-soph track team. Some sixty-five athletes answered the call and worked hard to make the season a success. The team had good balance in sprinter, field and distance events.

Darryl Poidevin easily jumps the hurdle.

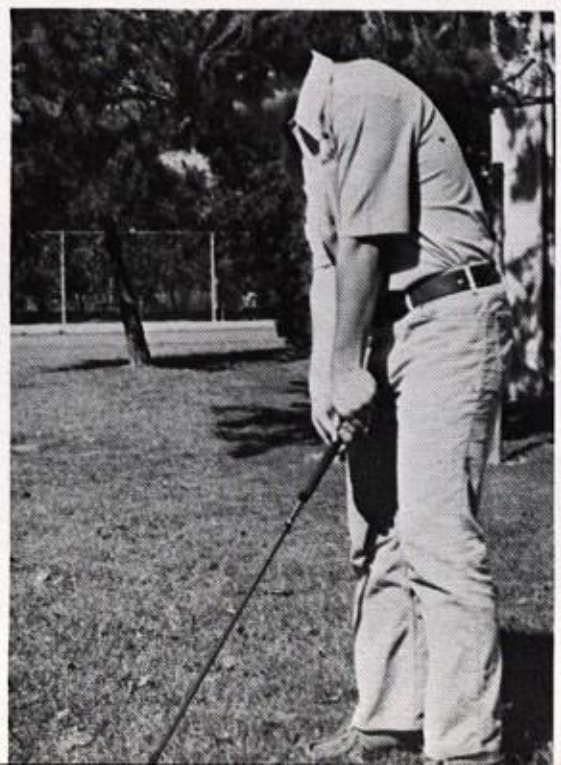
Golf

The South Hills Golf team coached by Jim Jones was one of the strongest teams in CIF.

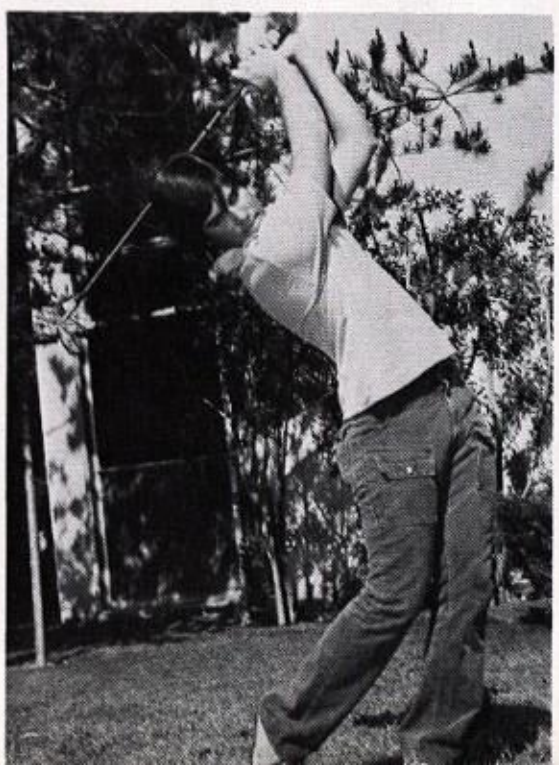
The players that helped make up this team were junior Dan Witteman, freshman Bill Witteman, seniors Earl Rex, Mark Dearth, Steve Ayers and sophomore Mark Zucker.

The Huskies, using the South Hills Country Club for their home matches, played in the tough Sierra League during the 1972-1973 season. The team has built up a strong tradition in golf going to CIF several times in the past few years.

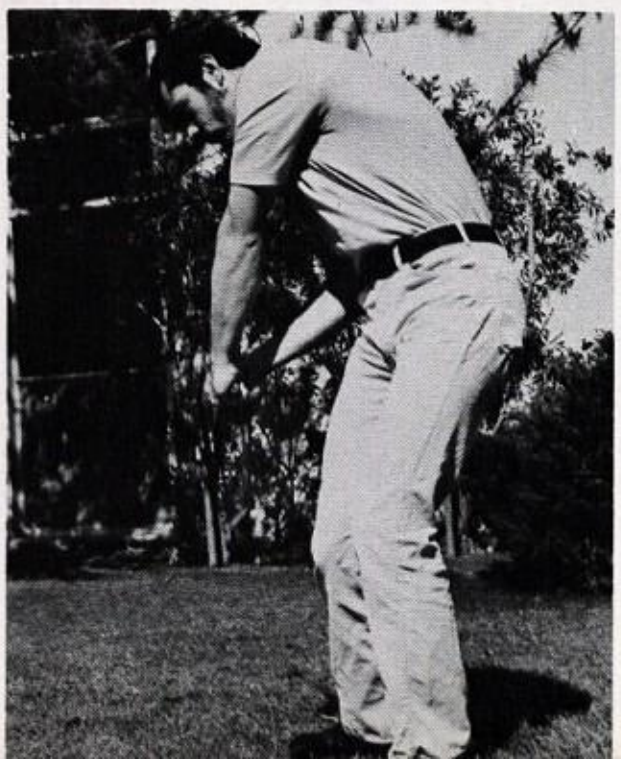
Mark Zucker concentrates before swing.

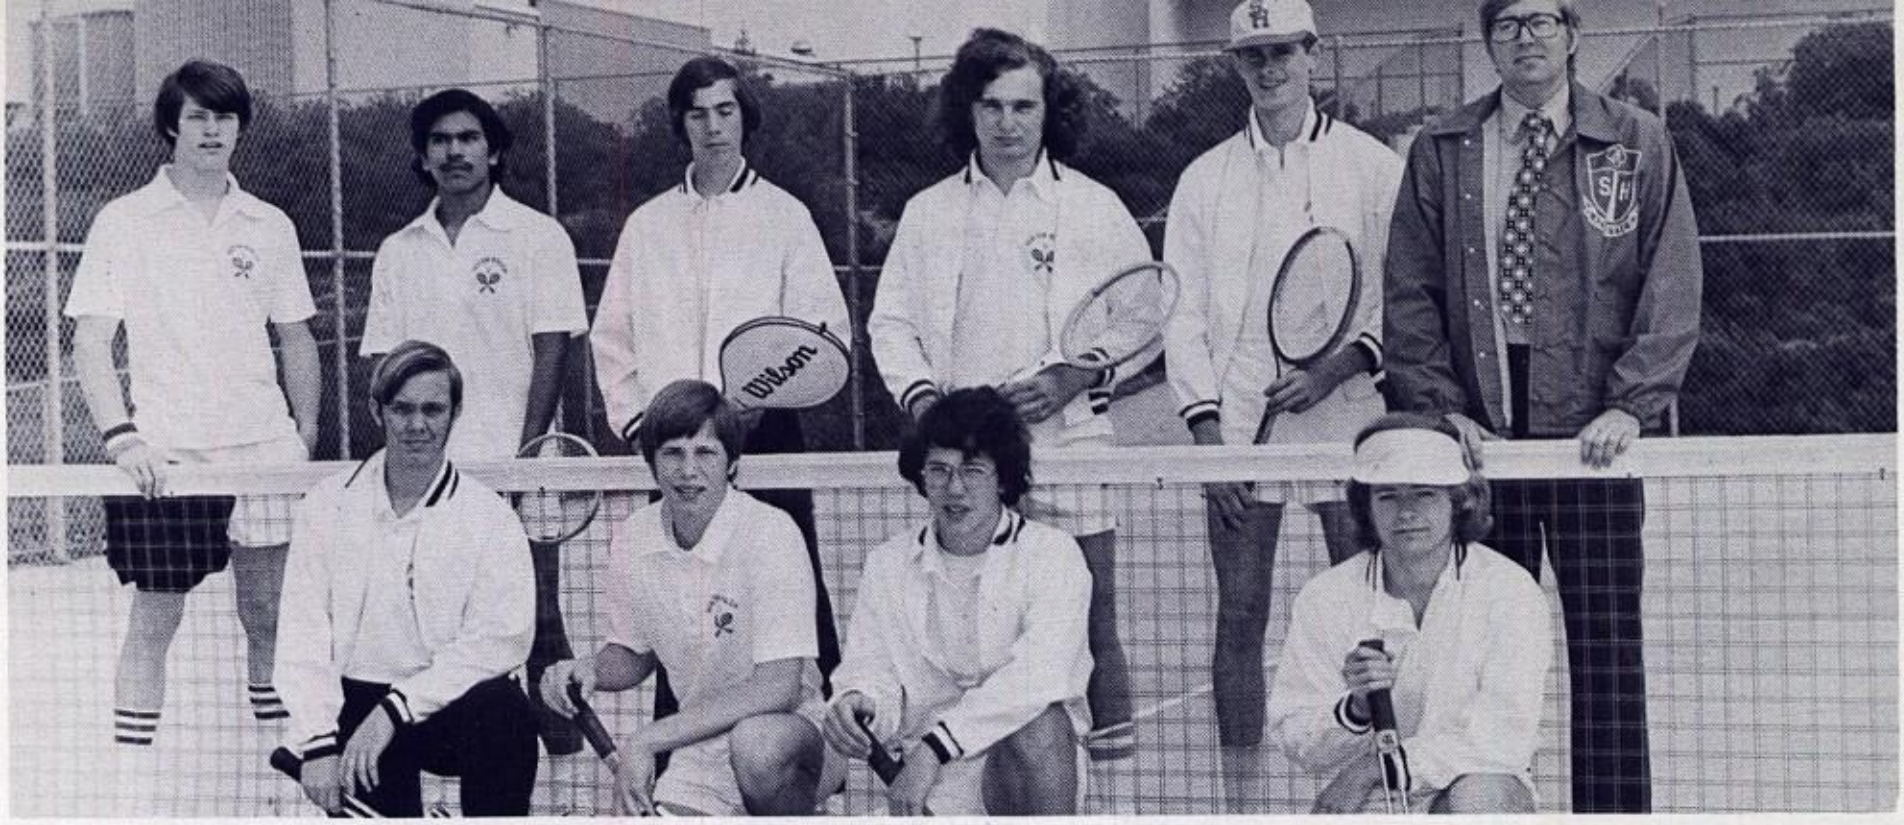


Steve Ayers keeps eyes on ball.

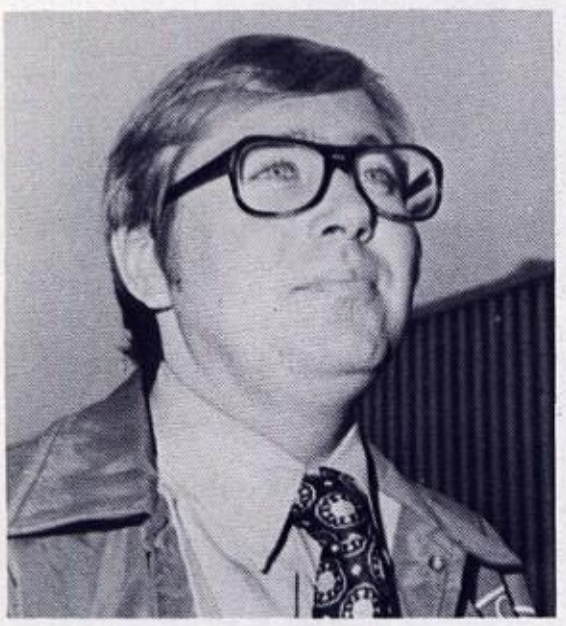


Mark Dearth demonstrates backswing.





Standing: Jim Clark, Robert Alaniz, Harry Meyers, Dave Chervin, Rick Martindale, Coach Sanderson. Kneeling: Paul Cope, Bob Gregg, John Rousseau, Bill Tharalson.



Coach Sanderson

Varsity Tennis

This year's Varsity tennis team, coached by Dave Sanderson, has only three returning lettermen. They are Dan Bressler, Jim Clark, and "sophomore sensation" Bob Gregg. Coming up from last year's Junior Varsity team is Paul Cope, John Rousseau, Bill Tharalson, Harry Myers, and Robert Alaniz. Also competing on the Varsity level is Dave Chervin and Rick Martindale. Following in the footsteps of last year's tennis team, which was considered to be one of South Hills finest, will be challenging to say the least, but the team is expected to do well and they all hope for another fine season.

Junior Varsity Tennis

The South Hills High School 1973 Junior Varsity tennis team was one dedicated to the development of young players. With many new players coming on this year and the loss of many of last year's players who went up to Varsity, the team will be somewhat inexperienced, but is expected to give much competition to the other teams in the league.

Baseball

This year's varsity baseball team has again demonstrated South Hills' superiority on the baseball diamond. Coach Herb Barnes' leadership compiled with the talent of experienced players such as Gary Miyada, Jeff Cox, Mark Ault, and Gary Frenkiel laid the foundation for this winning season.

The team depth is further exemplified in the batting and fielding categories of many first year varsity ball players whose return next year should once more provide the necessary materials for a successful season.

JV Baseball

The 1973 J.V. baseball team got off to a good start with a 10-3 victory over El Monte and a 1-0 shutout win over Northview. Vic Pistonetti provided most of the offensive punch early in the year with Roger Poole, Rob Westerlund, and Tom Clark providing a strong mound staff. Going into league play, the J.V.'s were favored to finish in one of the top four places.

This year's frosh-soph baseball team is doing something that previous frosh-soph teams have not done; they're winning! If they continue to play with the same caliber of baseball for the rest of the season it will be a very successful year.

Partners in great kitchens.

Speed is just one of the many advantages

NEW CONVENIENCE You don't have to start dinner until the last minute. For late comers, just reheat dishes for a few seconds.

EASY OPERATION Even young children can operate the oven safely. In most cooking operations, no hotpads are needed.

COOLER COOKING Because heat is produced only in food, the oven stays cool, your kitchen stays cool, you stay cool.

MORE NUTRITION You serve your family more nutritious foods. The fast cooking means more color, more vitamins are retained.

FAST DEFROSTING Electronic energy defrosts frozen foods in minutes... saves you endless hours of waiting time.

MINIMUM CLEAN-UP Throw away your pots and pans. Most dishes can be cooked in the same dish you'll use for serving.

Jenni,
Well, it's time for the traditional yearbook signing and all the flattery that everyone writes to everyone else (half the time without realizing which book it is they are writing in). I'm not going to tell you never to change the ways you are because I believe everyone has room for improvement but I will tell you not to change those qualities which make you the fantastic person you are. These qualities out number anything else and I hope the best for you always. I especially hope that you realize that I mean what I say and I really think you are a fantastic person. You are one person who has my greatest respect and I hope you gain what it is out of life that you want.

Friends always

Jenni, I'm not in your yearbook class, but I'm not in your yearbook class, but I'm not in your yearbook class, but

Jenni, This is the first yearbook I've signed this year. I've enjoyed you this year. Remember the concert at Mt. Sac. Happy Birthday, Merry Christmas and however many best wishes you need: I'm full of good things to say to you/about you. Good Luck

Love,
Frankie A. Farris

Jenni D,
Well, you're finally getting rid of me + I guess that's good reason to be glad but I'd rather suffer a little longer with this name-sharing study. Good luck now + always. There's still no one that I'd rather share with. You're a great girl. Best Wishes!

Always,
Jenny C.

Jenni,
